The Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing, others promise but fail to perform," says Mrs. E. R. Pierson, of Auburn Centre, Pa. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." A Traveling Man's Experience.

"I must tell you my experience on an East bound O. R. & N. R. train from Pendleton to Le Grande, Ore., writes Sam A. Garber, a well-known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said 'There is a woman sick unto death in the car.' I at once got up and went out found her very ill with cramp colic her hands and arms were drawn up so you could not straighten them and with a death like look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suit case and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, put a double dose of the medicine in the glass, poured some water into it, and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in twenty minutes I gave her another dose. By this time we were almost into Le Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into Le Grande she was all right, and I received the thanks of every passenger in the car." For sale by W. T. Brooks. You need no other guarantee.
